December 23, 2008

Dear Kids Clothes Club members,

Please accept this letter on behalf of the many families we were able to provide with winter jackets again this year thanks to your support. We would like to thank you for the 125 brand new winter coats, they were beautiful. We were able to help parents provide for their children who did not have winter coats for the coming season. The reactions from parents and children as the jackets were tried on in the office were absolutely priceless. We know the jackets made a huge difference in the children's lives, and they will certainly keep the children very warm.

Thank you for your continued support in our efforts to prevent child abuse and neglect here in the Chelsea area. Have a Happy New Year!

Sincerely,

Jessica DeFrancisco
Director,
Chelsea Community Connections Coalition
