Dear Mr. Elias,

On behalf of the staff of Cranwood Children's Services, thank you for the wonderful donation of so many coats for our children this winter.

As you know, Cranwood is located in East Freetown, MA. We provide housing and counseling for 18 boys and girls between the ages of 4 and 12 years old. Children who come to Cranwood have a troubled past of abuse and neglect. Our mission is to provide these children with a safe place to live while receiving the counseling and nurturing they need to rebuild their lives.

In these times of economic uncertainty, we are grateful for friends like you. It is with your assistance that we are able to provide for children so desperately in need of love and hope.

And so, once again, I thank you for your support.

Sincerely yours,

Alexandra C. Ernst, M.S.W.
Program Director
